Revised Scientific Data Summar...

SDS appendix TOC.doc

Please review the attachments and provide me with your comments. This will be sent outside of WSA on next Tuesday.

By looking at these three documents you should be able to get a good sense of how we are proceeding with the SDS and the appendix to the SDS (AKA Scientific Data Compilation).

- The Exec Summary should tell the key points about why we think Accord - JLI should have a reduced exposure claim and should be consistent with consumer communication.
- The SDS should tell a complete story in summary form. Data will be mostly in graphical format.
- The appendix to the SDS should provide complete information about each study that we are using to tell the story.

Here are some key dates to keep in mind.
Feb 3 - SDS and appendix are complete
Feb 10-11 PM review of SDS and appendix
Feb 14 SDS and appendix sent to SAB
Mar 6-7 SAB Meeting
I will be sending out another email with a more detailed schedule of key events between now and approving the SDS+Appendix.

Thanks,
George
